APPENDIX 4 — SELLING FLOOR STOCK COUNT & VARIANCE REPORT

Tarikh: **assessment date** · Dikira oleh: *(name of candidate / Retail Supervisor)*

NO.	SKU	SYSTEM STOCK	PHYSICAL COUNT	VARIANCE (+/-)	REMARKS
1	Canned Coffee 240ml	48	48	0	No variance
2	Cup Noodles 75g	36	33	-3	Variance: 3 cups short. Possible cause: unrecorded sale or pilferage. To be investigated and reported to Store Manager.
3	Chewing Gum Bottle	60	60	0	No variance
4	AA Battery 2-Pack	24	26	+2	Variance: 2 packs excess. Possible cause: stock received and placed on shelf but system stock record not yet updated. To be investigated.
5	Hand Sanitiser 50ml	30	30	0	No variance

STOCK VARIANCE REPORT SUMMARY:

Total SKUs counted: 5. SKUs with variance: 2. Cup Noodles 75g shows a negative variance of -3 (system 36, physical 33); possible cause is an unrecorded sale or pilferage. AA Battery 2-Pack shows a positive variance of +2 (system 24, physical 26); possible cause is a receipt that was shelved before the system record was updated. **Follow-up action:** investigate both variances, adjust stock records upon confirmation of the cause, and report findings to the Store Manager as required by the Store SOP (item 4).

APPENDIX 5

A. ITEM EXCHANGE & REFUND RECORD

CASE 1 — ITEM EXCHANGE

Item & harga: **Phone charging cable — RM15.90** · Tarikh belian: **yesterday** · Resit asal?

☒ **Ya** ☐ **Tidak**

Semakan syarat SOP (dalam tempoh 3 hari / item tidak digunakan / bungkus elok):

SOP check per Store SOP item 3: (1) Within 3 days — YES, purchased yesterday (1 day). (2) Item unused — YES, stated unused. (3) Packaging intact — YES, stated intact. All three exchange conditions are satisfied.

Layak ditukar? ☒ **Ya** ☐ **Tidak** Tindakan / item ganti: **Exchange is approved. Replace the phone charging cable (wrong connector type, RM15.90) with the correct connector type at the same price of RM15.90. Process the exchange in the POS system. Record the exchange transaction and retain the original receipt.**

CASE 2 — REFUND

Item & harga: **Chicken sandwich — RM6.50** · Cara bayaran asal: **Cash** · Resit asal? ☒ **Ya**

☐ **Tidak**

Semakan syarat SOP (produk rosak/tidak elok):

SOP check per Store SOP item 3: The sandwich is spoiled (defective product) although the printed expiry date has not passed. The customer has the original receipt and purchased the item this morning. Refund condition is met — the product is defective/spoiled, original receipt is available.

Layak refund? ☒ **Ya** ☐ **Tidak** Jenis refund: **Cash refund** Jumlah (RM): **6.50**

Tindakan susulan ke atas stok yang sama di rak: **Remove all remaining chicken sandwiches of the same batch from the sales floor shelf immediately. Inspect each unit for spoilage. Report the spoilage issue to the Store Manager. Do not return spoiled items to the shelf. Arrange supplier return or disposal according to Store SOP. Notify the supplier of the quality issue.**

B. DAILY SALES TRANSACTION RECONCILIATION

ITEM	AMOUNT (RM)
Cash sales	1,980.00
Card sales	860.00
E-wallet sales	1,240.00
Total sales	4,080.00
Cash float (opening)	300.00
Expected cash in drawer (float + cash sales)	2,280.00

ITEM	AMOUNT (RM)
Actual cash counted	2,240.00
Shortage / Excess	SHORTAGE: RM40.00

Card settlement matches POS? ☒ Ya ☐ Tidak E-wallet settlement matches POS? ☒ Ya ☐ Tidak

Discrepancy identified and follow-up action:

A cash shortage of RM40.00 has been identified (expected RM2,280.00; actual RM2,240.00). Card settlement (RM860.00) and e-wallet settlement (RM1,240.00) both match POS records. Action: record the cash shortage in the daily reconciliation record. Check cashiering transactions and receipts for the day to identify the source of the discrepancy. Report the cash shortage of RM40.00 to the Store Manager as required by the Store SOP (item 4). Do not carry the unresolved shortage to the following day.

APPENDIX 6 — STAFF PERFORMANCE APPRAISAL RECORD

Tempoh penilaian: 6 hari bekerja minggu lepas · Dinilai oleh: *(name of Retail Supervisor / candidate)*

PERKARA	HAFIZ (Cashier)	SURIA (Retail Assistant)
Kehadiran (hari hadir / hari kerja)	6/6 (hadir penuh)	5/6 (tidak hadir 1 hari — medical leave dengan MC)
Ketepatan masa (catat kelewatan jika ada)	Lewat 2 kali: 15 minit dan 20 minit	Tepat masa setiap hari
Penampilan / appearance	Uniform lengkap dan kemas setiap hari	Name tag tidak dipakai pada 1 hari (perlu diperbaiki); uniform otherwise neat
Pengetahuan / knowledge	Boleh menerangkan promosi semasa kepada pelanggan — memuaskan	Tidak dapat menjawab soalan pelanggan berkenaan promosi semasa — perlu peningkatan
Kemahiran / skill	Operasi POS betul tetapi lambat semasa waktu puncak — perlu peningkatan kelajuan	Kerja paparan rak dan replenishment kemas dan tepat — baik
Ulasan keseluruhan	Kehadiran penuh. Ketepatan masa perlu diperbaiki (lewat 2 kali). Pengetahuan promosi mencukupi. Kemahiran POS perlu dipercepatkan semasa waktu puncak.	Kehadiran 5/6 hari (MC sah). Ketepatan masa cemerlang. Kemahiran rak baik. Pengetahuan promosi dan penampilan (name tag) perlu peningkatan.
Cadangan (coaching / peringatan / lain-lain)	Beri amaran bertulis berkenaan kelewatan berulang. Sediakan latihan atau amalan untuk meningkatkan kelajuan operasi POS semasa waktu puncak.	Beri peringatan lisan berkenaan name tag — perlu dipakai setiap hari. Adakan sesi coaching berkenaan promosi semasa supaya Suria boleh menjawab soalan pelanggan dengan betul.

Semakan mengikut prosedur appraisal Store SOP B6? ☒ Ya ☐ Tidak

Ulasan tambahan:

Hafiz: Full attendance is a positive indicator. However, repeated lateness (twice in 6 working days) is a punctuality issue that requires a formal written warning. POS speed improvement should be a priority for Q4 coaching. His knowledge of current promotions is satisfactory.

Suria: Absence on 1 day was due to medical leave with a valid MC — this is a documented, authorised absence and does not reflect on her performance. Her shelf management skills are consistently strong. The two areas for improvement (name tag compliance and promotion knowledge) are addressable through a short coaching session and a daily reminder routine.

APPENDIX 7 — SAFETY PRACTICE & HOUSEKEEPING VERIFICATION CHECKLIST

Tarikh pemeriksaan: **assessment date** · Diperiksa oleh: *(name of Retail Supervisor / candidate)*

NO.	PERKARA	CONFORM (✓/X)	FINDING	ACTION REQUIRED
1	Emergency exit (kept clear)	X	Emergency exit at the back of the store is partially blocked by stacked beverage cartons.	Remove the stacked beverage cartons from the emergency exit immediately. Relocate the cartons to the designated back end storage area. Remind all staff that the emergency exit must be kept clear at all times per Store SOP (item 5). Report to Store Manager.
2	Fire extinguisher (condition & seal)	✓	Fire extinguisher at the front end is in place, seal intact, pressure gauge in the green zone.	No action required. Continue to monitor at the next scheduled inspection.
3	CCTV / preventive devices	✓	CCTV monitor at the counter is working; all cameras displaying.	No action required.
4	Sales floor floor condition (wet floor / warning sign)	X	Wet floor near the drink chiller; no warning sign placed.	Place a wet floor warning sign at the wet area immediately to prevent slipping hazard. Dry the floor as soon as possible. Remind all staff to place warning signs immediately whenever a wet floor is detected, as required by Store SOP (item 5). Report to Store Manager.

NO.	PERKARA	CONFORM (✓/X)	FINDING	ACTION REQUIRED
5	Back end / back-lane waste area	X	Waste and cardboard at the back-lane waste area not disposed of since yesterday; bins overflowing.	Dispose of all waste and cardboard at the back-lane waste area immediately. Clean the bins. Remind staff responsible for waste disposal that back-lane waste must be cleared daily per Store SOP (item 5). Report to Store Manager.
6	Sales floor & front end cleanliness	✓	Sales floor aisles and front end counter area are clean and tidy.	No action required. Maintain current standard.

Summary of findings and reporting (kepada Store Manager):

Three (3) non-conformances were identified: (1) Emergency exit at the back of the store is partially blocked by stacked beverage cartons — safety hazard, cartons removed immediately; (2) Wet floor near the drink chiller with no warning sign — slip hazard, warning sign placed immediately and floor dried; (3) Waste and cardboard at the back-lane waste area not disposed of since yesterday — hygiene issue, waste disposed of immediately. Three items were found to conform: fire extinguisher (in place, seal intact, pressure gauge green), CCTV (all cameras working and displaying), and sales floor and front end cleanliness (clean and tidy). All non-conformances have been recorded and reported to the Store Manager as required by the Store SOP.
